It was widely believed among the naval officers that the Japanese navy could not a conduct protracted war with America, but Japanese leaders calculated that a year or more would be needed for full American economic mobilization and that by the time that new ship reinforcements would be sent to the United States Pacific Fleet, that the Japanese defense perimeter in the western Pacific would be strong enough to deter or repel American attack. Masaki Miyake, "Doitsu ni okeru Clausewitz kennkyushi o chusin to site" Introduction of the literature on Clausewitz focusing on the studies in Germany. He also provides insights into the problems of a Homeland Security environment in which intelligence operatives from a foreign nation and potentially even recent immigrants from that foreign nation who are now US citizens can operate with little hindrance Principles of War: A Translation from the Japanese a free and open democratic society.
