Policy RL, Salaam-Blyther, et al. Some Members of Congress lauded the Administration's actions as in the best interests of the United States and a better way to support change in Cuba, while other Members strongly criticized the President for not obtaining concessions from Cuba to advance human rights. This outstanding debt has also prevented Argentina from accessing international credit markets, and could make it more difficult for Argentina to emerge from its current economic downturn.

ThousandsofprotestershavcalledforMartelly'sresignation. Three misfits build a friendship on the common links of a key, a ghost and Concern regarding the intentions of the next administration in the conduct of international affairs generally—and particularly in the Americas—will likely give a boost to these organizations and leave the United States more isolated than ever in the Western Hemisphere unless it takes

action.

This outstanding debt has also prevented Argentina from accessing international
