That's why, if things are going to continue, you'll both need to trust each other enough to share thoughts, feelings, and concerns. Some guys are plagued by the overwhelming feeling that they need to be "the man.

Feel the most concrete, real, simple thing you can, and communicate. If you can

If when young you were always scolded or made to feel inadequate in some way, you are likely to act the same way toward your man. Is it because we are just horrible creatures? The assumption is that everybody's going to be honest. If you respond to his thoughts by immediately offering your point of view with something like "Well, that's wrong. While you might think that you are encouraging him, what he gets is that you are criticizing the way that he is as a person.
