Microbial Biochemistry | Hiroshima University

This section aims to publish studies relating to microbial biochemistry, physiology and metabolism, including enzymology, metabolic pathways and regulation.

7: Microbial Biochemistry - Biology LibreTexts

FEMS Microbiol Rev. Nov;30(6) Microbial biochemistry, physiology, and biotechnology of hyperthermophilic *Thermotoga* species. Conners SB(1).

Microbial Biochemistry | Global Events | USA | Europe | Middle East | Asia Pacific

We are focusing on the analyses of cellular and molecular functions of microorganisms and their applications. For this purpose we are pursuing three subjects.
