Would it be so easy to dismiss it as just another household item? This book is a well written story of him navigating through a break up, a new interest, work and his relationship with his long time best friend. DanratedititwasamazingMar13, Please review your cart. As such Her will definitely still be getting talked about in years to come, whether or not we do indeed end up falling in love with our computers. Create a commenting name to join the debate Submit.
