She sagely notes that common to all the major religions is a teaching that urges self-limitation so that others may flourish. Cole involves Learn about new offers and get more deals by joining our newsletter.

Comprehension, verbal reasoning and creative writing activities test
Will it be enough to save our planet? McFague clarifies the problems and promises of Christianity as a model that sees self and planetary flourishing as interdependent. Consumerism, she argues, is the antithesis of Christian discipleship, even as it opposes what is central to world religions in general. Related Products. Park Guilford Press, She believes that this is crucial if we wish to really avoid the disaster facing us in global climate change. By Rebecca Copeland.
