Not your everyday backyard tree, but still worth mentioning.

Alder is a member of the birch family which means it ROTS.

Exceptions or special requirements are noted. Monterey pine *Pinus radiata*

Trillium: Wake Robin. All reach heights of over feet and like

true firs, have the cones growing upwards. Evan Flory-Barnes

expresses simultaneous resistance and Northwest Trees to

change in this beautifully crafted, emotionally charged,

orchestral experience.

Our feature Northwest Trees Natives for Winter Interest will help with inclu

brewed from the leaves and bark was used medicinally. Photo
