But Aiden never took the willing females into his bed; he rejected so many of them, from the ugliest to the prettiest, until people started to think he might have a secret mate My purpose is not to lecture you, but to befriend you. After all, like any other good pack member, I cared about my alpha and his welfare, and I knew if a muss of unmated, very horny girls would raid this place, that was meant for peace-seekers, in order to get him as a partner for the upcoming Season, he would be stressed and very unpleased.
