Find it on Scholar. He leads us by ways we may not be aware of, up the hill of prayer.

These are a few proposals also offered to illustrate the important role churches have. The inner circle is the revelation of God in the written Word or Scripture. For Catholic social thought, it is the task of politics to promote and set limits to the market so that it can serve the common good. In spite of this soteriology, Calvin founded his anthropology and ethics in the concept *imago dei*.

In this respect the political thinking of Rawls comes to mind. Exploring whether if preaching switches to intimidation or incitement to violence or if religion inspires criminal offenses is government intervention is mandatory.
