Until recently, two intersected models have dominated studies of Asian American cultural expressions. For anyone who has ever wandered through Chinatown and wondered what it was all about, and for Americans wanting to understand the changing face of their own country, American Chinatown is an all-access pass. The book delineates the introduction of each music genre from its homeland and its subsequent development in New York, and explains how Chinese Americans express their cultural longings and belongings.

And nearby, on Weller Street, one can find the large Uwajimaya grocery store. Maeda presents a cultural history of Asian American activism in the late s and early s, showing how the movement created the category of "Asian American" to join Asians of many ethnicities in racial solidarity. Multiethnic Seattle; 2. New York: Russell Sage Foundation, cVolume
