Wisdom Publications: Somerville, MA. Suffice it to say that the concern for language so evident in Confucian writings reflected both a profound turn away Pragmatic Buddhism:Reflecting Contemporary Vitality what they considered to be the empty talk of Buddhists, especially Zen Buddhists, and toward a concern for defining the conceptual bases for a well-ordered society. It must be added, however, that as Confucian learning became more widespread, even the peasantry began to understand the basics of Confucian political thought and developed clear expectations regarding humane government.
