After twelve years absence he decides to go back East to see just how his wife and now twelve-year-old son are coming along, and he is in for a major culture shock indeed when he arrives in the cold climate of that small and conservative town of his upbringing, quite the contrast to the dynamic forward-looking Californian atmosphere he has grown to know and love. The hatred of big business and of the whole private-enterprise system emanating from each of these long texts is quite mind-numbingly shocking but it must be said almost contemporary in its anti-capitalist animosity, carried here however to extreme and criminal extremes.
