Ayden rated it it was amazing Feb 08, Availability can change throughout the month based on the library's budget. From this bewildering array of baseball books, Ron Kaplan has chosen of the best, making it easier for fans to find just the books to suit them or to know what they're missing. His essays are entertaining as well as informative. Among his suggestions is a new postseason system, even though he declared himself against a radical realignment that occasionally rears its ugly head and snaps at traditionalists.
