But, today, increased geopolitical competition, particularly that between China and the US, means that other powers no longer see these spheres as separate if they ever did. Furthermore, a study trip will be organised in each of the four countries gathering their relevant stakeholders to learn about the regional challenges, experience with transition so far, and meet local representatives, thus catalysing cross-fertilization of ideas amongst the stakeholders from the different regions. Indeed, significant opportunities in those sectors remain even today and the EBRD has recently been able to support a number of investments with international and local companies.

Mainstream parties, including the Social Democrats, have also started competing. Main battles in The Slovak public does not debate European issues – apart from migration – to any significant extent. Current Premier Li Keqiang also visited in in addition to a stopover in the Azores, raising concerns in Washington and Brussels about possible investment plans for a maritime research and commercial center on the island of Terceira, next to the U.

Globally, Chinese diplomats have been incredibly active, with the Ministry of Foreign Affairs. The issue of Chinese influence also exists in a number of non-economic areas, especially academia and the media.
