Highly recommended for those who are on a quest for answers. There was something going on here, much bigger than me. I had become totally absorbed in it, maybe obsessed.

So, be gentle and kind to yourself and read it as slowly as you wish. My paper will begin by providing a translation of the text, followed by discussion of cosmology and its philosophical implications for the human world as intended by the text, in particular the concept of yi in relation to rulership and statecraft.
