United Kingdom. Norfolk terriers are small-sized dogs weighing 11 to 12 pounds 5 to 6 kilograms. Others need daily, vigorous exercise -- especially those that were originally bred for physically demanding jobs, such as herding or hunting. English Springer Spaniels are generally healthy dogs, but there are there are. Breed isn't the only factor that goes into affection levels; dogs who were raised inside a home with people around feel more comfortable with humans and bond more easily. Thank DiBob He should never be aggressive or timid. And many hounds simply must follow their noses, or that bunny that just ran across the path, even if it means leaving you .
