Donati, A project of "expurgation" by the Congregation of the Index: treatises on duelling in G. This scholar showed how in the case of Mantua, as early as the end of the Middle Ages, the Gonzaga's household was practically coterminous with the structures of the Gonzaga "State", while in the case of the Este, even in the Early Modern Age, "the offices of the court

continued to retain a markedly domestic connotation", a disparity between the two models that can be seen in the structure of their archives, which in the Este states were organised primarily on the basis of geography
